

Meet at the Beach & BCSC Corn Roast

**Baltimore County Sailing Center
Saturday, August 10 from 1 - 5pm
\$20pp/\$50 per family**

Hope everyone has been enjoying the summer and finding wind and waves to play with. BABA is celebrating August with a Meet at the Beach at Baltimore County Sailing Center Corn Roast.

Registration is required onsite (\$20 per person or \$50 per family) and you get burgers, hot dogs and corn on the grill, access to BCSC's fleet of sailboats (if you hold a sailing certification) and kids and newbies can participate in the "Taste of Windsurfing" taught by Tom, Daphne and Janice. BCSC beach is very kid friendly so bring the entire family and enjoy a day at the water.

All fees are collected by BCSC which is a non-profit, user fee funded organization. Instructors are donating their time and gear.

Kid gear is in limited supply and will be used for the "Taste of Windsurfing" first. There may be an opportunity for on the water coaching for both kids and novices who have successfully completed a "Taste" or Learn to Windsurf in the past. Please look for Daphne or Tom regarding on the water coaching.

Bring your own gear and have some fun on the water. There's no gear to rent at the sailing center.

See you Saturday!

PS - if you still have a Wind Glider gathering dust in your garage we can show you how to convert the rig for use on a regular board. The rig works very well for kids and newbies on a stable board. No use for the rig? Donate it to BABA and get a tax deduction! We can also look at other gear donations for BABA or BCSC but the gear must be beginner/novice friendly.
